Bene

Welcome

At Bene, we celebrate an uncomplicated way of life that recognises the lifestyle and care requirements of every individual. Our culture is built upon the worldly values of honesty, respect, integrity, family, trust, and time. With more than 50 years of experience, we know just how important it is for your values, culture, spirituality and individuality to be honoured.

Welcome to the warm and inviting home of Bene St Paul's. Located in the historic town of Hahndorf in the beautiful Adelaide Hills, Bene St Paul's incorporates delightful flowering gardens at every turn, creating a tranquil, light-filled setting.

Here, a welcoming community of residents enjoy a range of lifestyle options and personalised care. There is a café onsite and an array of eateries and shops in the township, along with access to public transport, hospital and medical services all nearby.

Tailored Care

At Bene, you'll experience quality care underpinned by a transparent and collaborative care philosophy that ensures that the support and services you receive are tailored to meet your individual needs and goals. Bene also provides specialist dementia and palliative care as well as options for respite. Our warm and welcoming care environment is supported by a 24/7 onsite nursing team and a range of multidisciplinary healthcare services. Our holistic approach to wellness means that our highly skilled and compassionate staff work together to enhance your physical, mental, social and spiritual wellbeing, enabling you to enjoy life to the fullest.

Memory Support

Bene St Paul's welcomes those living with dementia into our dementia-friendly Nitschke Cottage. A secure memory support environment that promotes resident wellbeing, independence and safety. Skilled and dedicated nurses, carers, and therapy staff work closely with families to provide quality care in a positive and nurturing environment with a range of appropriate social and lifestyle programs on offer.

Live life to the fullest

Throughout Bene St Paul's, there are relaxing communal living and activity areas where you can gather with others, socialise or enjoy time with family and friends. For those who wish to come together in prayer, the tranquil multi-faith chapel offers regular church services for residents and loved ones and opportunities for quiet reflection. There's a strong food culture too, with delicious, nutritionally-balanced meals prepared fresh in Bene's onsite kitchen, plus private dining options to be enjoyed with friends and family. Offering choice and variety, there are opportunities for leisure, creative pursuits and lifelong learning, balanced with social outings designed to keep you connected with the community.

Rooms with you in mind

Your personal space is a reflection of the person you've become and the memories you've come to cherish – so make it your own with your most treasured items. In your private sanctuary, you have time to relax and retire to your own favourite pastimes, take visitors or enjoy in-room dining. Bene St Paul's offers single rooms with private ensuites in a modern style with neutral interiors.
